Silent Grief: Living in the Wake of Suicide Revised ...

May/June 2007 Silent Grief is a book for and about "suicide survivors" - those who have been left behind by the suicide of a friend or loved one. Author Christopher Lukas is a suicide survivor himself - several members of his family have taken their own lives - and the book draws on his own experiences, as well as those of numerous other

Grief Healing: August 2012

Grief is the normal response to significant loss, but it doesn't necessarily wait for death or separation to happen. It can occur both following a loss and in anticipation of it. Anticipatory grief and mourning can be felt as soon as the diagnosis of a life-threatening illness is given, at the moment when we become truly aware that death may happen to us or to someone we love.
